This term has started with an excited flurry of activity and celebration.

Anyone who was here at school with us on Saturday October 12 would agree that our 50th Anniversary was a spectacular success. The feeling of community pride and spirit was absolutely palpable. It was always going to be an important event, as celebrating 50 years of outstanding service to the Essendon community is special indeed. We should all feel pleased and proud with how the day unfolded.

We had displays of memorabilia in the library where past students and staff chatted together and reflected on memories of many years. We had food stalls, shops, calisthenics and judo displays, rides, activities for kids and of course, many displays of the talents of our current student and teachers. From the Devonshire tea area, through to the Notable Year 7s in A-block and on to the jumping castle on the grassed area, we were overwhelmed with the amount of people who joined us on the day, and we were truly lucky with the sun shining on us all day too.

On behalf of all of us at school, my sincere thanks to the students, families and staff who helped out on the day. There are too many people to thank individually, but please know that your work was appreciated. Thank you to Louise Gaynor and Richard Jones who formed a dynamic team to bring the event to life. Thank you both.

As well as reflecting on the past, for me the 50th Anniversary celebration is also a time to plan for the future; for the next 50 years. We are in a great position to step into the future with confidence and anticipation. It’s significant that while we celebrate the past 50 years, we are also setting a path forward. As you’re reading this newsletter, I’m so pleased to say that the following future-focused projects are taking shape:

- we’re launching our new, more interactive website
- we’re explaining our new Bring Your Own Device computer policy to you to ensure that every student at our school has access to their own computer each day they are at school
- we’ve launched the Jubilee Theatre Fund, Building for the Next 50 Years

Our new College website will become a much more important form of communication with you as we move into 2014. It’s in its early iteration, but as we evolve it more and more, we plan to talk to you about what forms of communication work best for you. We plan to keep our website regularly updated with news and stories from BPC, rather than wait for the bi-termly newsletter as much. In today’s world, it’s vital that our communication methods are current and responsive to what families want and need. More on this as we begin 2014.

I’m delighted that we’ve now also launched our Jubilee Theatre Fund. This fundraising effort aims to raise $1million to build our school and community a much-needed theatre facility. Please consider supporting this fund and encourage your friends and business connections to consider it too. All donations are tax deductible. The next stage in the process is some concept drawings as we begin the journey to a build in 2015.

Last week was a week of celebration too as we farewelled our Year 12 class of 2013. Our general assembly on Wednesday was a celebration of what makes Buckley Park College such a great school; our students. Always at our assemblies we celebrate their successes and the many different ways that students at our school do well. Whether it’s through the arts, sport, and technology or with outstanding VCE and VCAL results, BPC is a showcase of the amazing talents our students.

On Wednesday we focussed on our Year 12 students and their achievements. It was a celebration of their 6 years of schooling, a reward for a tough year, and the start of the final chapter in their schooling story, which now awaits. On behalf of the whole of the Buckley Park College community, I congratulate our Year 12 students. Making it to this point is a huge achievement and I know that the work their teachers and them have put in this year will bring real rewards with their VCE and VCAL examination results.

I’ve been lucky enough to get to know some of the Year 12 students over this past year and have seen how hard they’ve worked for the prize ahead. I’ve also been lucky enough to learn more about them as people, not just students of a school. I’ve heard on a daily basis the kind and considerate way that they approach life at Buckley Park. I see and hear the positive, well-mannered way that they interact with other students and teachers. It’s noticed and it matters, very much.

These human traits that aren’t found within the pages of a textbook are the ones that will set them apart from the rest; these are the ones that will make them a force to be reckoned with at university, at work, at TAFE and in the world. People who possess these very real and important qualities do better in life than those who don’t. It’s a fact. As graduates of Buckley Park College, I know our students have had the opportunity to develop these important life-long skills. They have built their wings and now they’re ready to fly.

I want to thank and acknowledge the extraordinary input of our College Captains, Luis and Maroushka throughout this past year. Luis and Maroushka have embodied all that is good about our school; they have committed themselves fully to their studies and have done exceptionally well, but they have also contributed fully to the life of the school in many, many ways. Most importantly they have been an ongoing presence and influence for positivity, for passion and for sincere kindness to others.

School leadership is a real challenge and this year Luis and Maroushka, and all of our other student leaders, have risen to the challenge of leadership and set the bar high for years to come. To our Year 11 students, I say, please consider applying for College leadership positions for 2014. You have seen this year how important the roles are for us and what a difference the right people make.

*Congratulations and good luck to the Year 12 class of 2013! This is your chance to shine.*

BRING YOUR OWN DEVICE 2014

At Buckley Park College we believe that today’s students think, connect and communicate differently to students who were at school even a few years ago. We are aware that our students live in a world where information can be accessed and shared quickly over the Internet, where they can communicate with peers and create new knowledge.

We encourage our students to strive for excellence through our learning programs that integrate the curriculum and fully utilise Information and Communication Technology (ICT).

In 2014 our College ICT policy strategy will look as follows. We believe this will ensure that all students have access to the ICT tools that will assist them to gain the skills necessary to succeed in such a technology-rich world.

The recommend device for 2014 is one of a range: we know some students like working with tablets and we want to utilise their enthusiasm and interest. Equally this applies to netbooks and other devices.

CURRICULUM DEVELOPMENT- Year 9 CIVIC Project

This project is an improvement upon the City Project. It incorporates a guided exploration of our school values and how these can be exhibited through the activities of organisations.

**CIVIC (Collaborative Investigation of Values In our Community)**, for all Year 9 students CIVIC during Term 4 2013, will engage our students in a meaningful, pro-active, and collaborative learning experience. In brief, the program will include:

- An intensive learning unit where students will be placed in small working teams. Students will undertake a deeper exploration of our school values and the representation of these values on a local, national and global level. Students will develop their understanding of key concepts, data collection and analysis, alongside practical skills such as team decision-making and effective work allocation/time management strategies
- Guided excursions over a three week period which will incorporate a range of community oriented organisations around Melbourne, student led data collection and research throughout the CBD, as well as classroom based planning, reflection and portfolio development
- A presentation evening (involving community guest adjudicators, staff, parents, SRC representatives and our very own Buckley Buzz student journalists) where each student team will present their CIVIC portfolio and promote their own values-based goals proposal for consideration at BPC

Ultimately, the program will further develop the knowledge, skills and positive outlook required for students to engage proactively with the wider community, and to contribute meaningfully toward sustainable community goals for BPC in the 21st century

SECOND-HAND TEXTBOOK TRADING

The College has been delighted with the outcomes from using the Sustainable School Shop for second-hand textbook trading and we are continuing to promote and use this helpful service, encouraging all families to recycle their second-hand textbooks and other student resources.

The introductory complimentary subscriptions provided by the Sustainable School Shop are expiring and standard pricing will now resume, offering three levels of access to families: Search the For Sale Ads for free; Single item can be advertised for $1; or an Annual Subscription (includes unlimited Ads and many time saving features) $19.95. Registering on the Sustainable School Shop is free.

Further information about this service, features, and pricing can be found by going directly to www.sustainableschoolshop.com.au

LOST PROPERTY

I would like to ask students, parents and guardians to please label all students’ belongings. Books, jumpers, sporting gear and anything else that can be misplaced. Lost items can be returned to their owners if they are labelled. Surname is preferable.

As the end of the year is fast approaching it is a good idea to come and look for any lost items as unclaimed items will be donated to charity before the start of the 2014 school year.

Many Thanks

EDUCATIONAL MAINTENANCE ALLOWANCE

Eligible applicants will need to fill in an application form (available from the general office) and must provide the office with the original Centrelink Pensioner Concession or Healthcare Card for us to sight and copy for our records. The applicant's signature on the application form will authorise Centrelink to check on current entitlement. A new application needs to be submitted at the beginning of every year.

To be eligible to receive EMA parents or guardians of students up to the age of 16 whom hold a current pensioner concession or health care/benefit card on the first day of this term can apply.

The closing date for applications is 28 February. Unfortunately applications received after the above date cannot be accepted.
The German Club Film Festival on Friday the 18th of October was a big success again this year. The theme is set by the Goethe Insitut each year for the Australia-wide Student German Film Competition. This year’s theme was “JugendCoolTour” (Youth Culture). Danke to everyone who participated and helped and to all students who created a German film – making the whole event possible. A special thanks to THN for their performance of “Ode to Joy” by Beethoven and for the technical team who made everything run smoothly. Displays and films were run by David Shoben of Year 10 and Nicholas Zuccarelli of Year 11. Lighting was by Will Kelcy of Year 9 and DJ Anton Strunz of Year 9 provided entertainment. Danke also to all those who baked and made the “Kaffee und Kuchen” for the Deutschklub and guests so special. Brydie Sinyj and Tayla Fordham of Year 10 gave a talk about Youth in Germany and Luke Iannello and Anastasia Vassiliadis of Year 11 gave a talk on the pitfalls of Google Translator. The president of the German Club Lillie Gabi Butler officiated wonderfully on the day as MC.

The winners were chosen by a panel of judges from last year’s Year 12 German Club members; Melanie Basta, Alice Zeng, Emily Rutherford, James Bashford and Tobias Gustavsson. There were nineteen films selected for the competition and all were creative and entertaining and the judges had a hard time deciding between them. The Year 11 films “Die gefährliche Party” by Victoria Cotte, Najat Mattar, Christine Evans and Vicky Komninos and “Träume” by Nicholas Zuccarelli, Julie Hercus and Donna Huang received special mentions, as did the Year 10 film “Filmpark Babelsberg” by Gia Thuy Do. Third place was awarded to the film “Der Anruf” by James Goldby and Jango Mikkelsen Rust of Year 7. Second place was given the film “Ilses Leben” by Nicole Chiuchiarelli, Hannah Cross, Caelum Italia, Luke Iannello, Veronica Curran, Anastasia Vassiliadis und Jasmine Burford of Year 11. “Ilsas Leben” has also been shortlisted in the State Final. First place and winner of the Deutschklub Film Pokal (German Club Film Cup) was the film “Erlösung nachgeladen” by Lachlan Janes of Year 7.

Gratuliere alle!

ID Card Reminder
All students should keep their 2013 ID card for use next year. New cards will only be issued after the official school photos have been taken during Term 1, 2014. The card is needed to borrow from the Library and use the coloured photocopier/printer.

Photography Competition Display
The entries in the Photo Competition are currently on display in the Library foyer. The photographs cover a variety of subjects including landscape, cityscape, portraits, people, animals and still life.

50 Years Library Display
The historic display in the Library for the 50 years celebration festival was popular with former and current students alike. Former students spent time on the day looking through old copies of the school magazine Benalta. They were also pleased to learn that it was it was still being published. Our current students have been amused by the changes to uniform and hairstyles over the 50 years.

Chess Competition
The final of Chess Competition was held on Monday 21st October. James Ives of year 8 defeated Nithin Sony of year 12 in the final play-off. The competition, which was held during Term 3 was very popular with students, both competitors and audience alike.

NEW BOOKS

Biography
Sophie Scholl : the real story of the woman who defied Hitler - Frank McDonough
In February 1943 Sophie Scholl, who was a student at Munich University, was executed by the Nazi regime, with two fellow students who were members of the White Rose resistance movement. Sophie’s brave and principled stand again the regime has made her a legend in Germany.

Fiction
The History Keepers Circus Maximus - Damien Dibben
On their deadliest mission yet, Jake and his friends must journey to AD 27, to the heart of the Roman Empire, to track down Agata Zeldt, the most evil woman in history. Only the bravest agents can travel so far into the past.

Darius Bell and the Glitter Pool – Odo Hirsch
What he saw was enough to dazzle anyone. But was it really what it appeared to be? And more importantly, was it enough to get the family out of the terrible trouble they were in? If anyone was going to find out, it was Darius Bell. A warm, wise story from one of Australia’s master storytellers, about a boy, his friends, his family, and the way a bit of luck and a lot of determination can turn the worst day of your life into the best.

Bun Heads – Sophie Flack
Until now, nineteen-year-old dancer Hannah Ward has followed the Manhattan Ballet Company’s unofficial mantra, “Don’t think, just dance”. But when she meets Jacob, a spontaneous musician, Hannah’s universe begins to change. With her eyes newly opened to the world beyond the theatre, she must decide whether to compete against the other “bunheads” for a star soloist spot or to strike out on her own.

Vango : Between Sky and Earth – Timothee de Fombell, translated by Sarah Ardizzone
A breathless adventure, charting a desperate search for identity across the vast expanses of Europe. Fleeing from the police and more sinister forces on his trail, Vango must race against time to prove his innocence. His journey will take him to the furthest reaches of distant lands, and even into the sky where he will find refuge on board the Graf Zeppelin airship.

Rules of Summer – Shaun Tan
Another thought-provoking picture book, with beautiful illustrations from Shaun Tan. It contains moments of humour, surreal fantasy, and the sometimes devastating ways we interact with people we love the most.
Market Day @ the BPC 50th Anniversary Festival

FoBP would like to thank the school community for supporting our fundraising efforts at the fabulous Market Day/50th Festival. Recent FoBP purchases including the sails shading the amusements, the barbecues cooking the delicious sausages and the paving decorating the library forecourt would not have been possible without your support.

Thanks also to the dedicated FoBP committee members: Robyn Westwood, Marie Overman, Brenda McDonald, Raelene McCool, Cathleen Cram, Bev Cottee, Dianne Carrington and Jen Brinsmead who once again volunteered their time for a good cause.

The many lovely gifts donated by stallholders and other businesses brought happy smiles to the faces of the numerous Spinning Wheel Raffle winners.

To thank them for their generosity, FoBP would like to encourage the BPC community to support the businesses that are listed below. Please remember to mention that you are from BPC.

Brick Pavers

The feedback for this project from current and past students has been incredibly positive. Many have enjoyed locating and photographing their special Brick Paver.

If you would like to purchase a paver, you can still do so in 4 easy steps until the end of the year:

1. Download a form from the school website or collect one from the office.
2. Fill in your contact details and the text you want engraved on the paver. (Maximum 34 spaces)
3. Go online to http://trybooking.com/BMVK and follow the prompts to make a payment. (Please note: Booking ID = Receipt Number)
4. Return your completed form to the office for FoBP collection.

Alcohol Awareness Presentation

FoBP is proud to be sponsoring a guest speaker for the Student Welfare Department. Vanessa Bate from Victoria Police will be presenting to parents on Wednesday 4 December about teenagers and alcohol. FoBP believe that this is a very relevant and worthwhile topic and we encourage all parents to attend.

Christmas Raffle

The annual FoBP Christmas Raffle will be launched in November. Keep a lookout for FoBP committee members at forthcoming school events to make sure you get your tickets. There are some great prizes to be won.

Remember, 'You gotta be in it to win it'.

**ALANNAH AND MADELINE FOUNDATION**

Dobson's are selling Stationery Packs to support The Alannah and Madeline Foundation. The packs are available at the Uniform Shop and cost only $5. Each pack sold allows Dobson's to donate one pack to a child in need.

**2014 UNIFORM**

Parents are reminded that students are expected to be in full school uniform until the end of the year.

In 2014, a Buckley Park College school jacket will be introduced through the uniform shop. A lengthy process, culminating with approval from school council, has been undertaken to ensure that the jacket will cater to the needs of the students and the school. The jacket will replace the plain black jacket which students are currently able to wear over their school jumper. Students will have the choice of wearing the school jumper, the school jacket or both.

The jacket will be phased in over the next two years. Whilst it would be hoped that all students will wear the jacket from the introduction, it will be the only jacket that is acceptable for year 7 students in 2014 and for all students in 2015 and onwards.

Assistant Principal – Student Development

**SICK BAY**

A reminder to all parents that if your child is unwell during the school day they need to come to Sick Bay FIRST. The Sick Bay attendant will contact you on their behalf and make arrangements if they should need to go home.

These procedures are in place to ensure that the school knows where all our students are. Please discuss this with your child and thank you for your understanding and support for this process.

Sick Bay Attendant
Can you help in the Canteen?

The school’s canteen is a very important service to students and staff. It is only able to operate because of the commitment and dedication of our volunteers.

The canteen is a busy, friendly, work place and even if you don’t feel that you could serve the counter or handle money, there are plenty of things to do that would be of great assistance.

We would love you to call in and see for yourself just how important the canteen is to the school community. All profits from the canteen go to the school to provide facilities for our students.

So if you have a spare few hours once a month or once a term, we would love to hear from you.

Youth, Alcohol and the Law

Presenter: Vanessa Bate, Victoria Police

Our presenter, Vanessa Bate, is a creditable source of advice and knowledge on a wide range of issues concerning parents relating to alcohol and young people. She is an experienced presenter, working with young people 10-18 years old who become involved in crime as a victim or as an offender.

Vanessa’s knowledge and first hand experience enable her to provide a comprehensive presentation including:

- Current teenage situations, trends and behaviours
- Latest Statistics and Research
  - Are young people drinking more or less?
  - The impact of alcohol on the adolescent brain
- Criminal and Civil Liabilities
  - As an arborist of the law, Vanessa has current knowledge of the legislation covering:
    - Liquor Control Reform Act 1992 & new amendments on the legal age of serving alcohol to children under the age of 18 in a private residence
    - Civil Liability – Parent’s duty of care (2 cases)
- General Liability – Parent’s duty of care (2 cases)

And most importantly, a guide to parenting through the teenage years. Parents tell us this is the most valuable part of the evening.

Questions:
- For parents to be heard
- For parents to ask advice on a particular situation
