And so we’ve arrived at the end of another school year; for me this is also the end of our first year together. What a fantastic year it’s been for our school. I feel so proud of the achievements of the students at Buckley Park and I’m full of eager anticipation for the future and for what I believe we can achieve together.

As we approach the pointy end of the year it sometimes feels like schools couldn’t be any busier. There are students working diligently for their exams and there are some nerves about results; there are teachers leaving our school and new ones being appointed; there are fabulous and important school events taking place; reports are being written; we meet many new students and families and complex planning is taking place for the 2014 school year ahead. It really is a busy time, but it’s also a very exciting time in schools too.

These past few weeks alone have provided some memorable events showcasing the talents of our students and staff again. Just last week, the Annual Art Exhibition took place here at school in the PAC. The opening night was a wonderful success as we awarded prizes to students from every year level. The standard of the work this year is extraordinary. It was great to talk to so many families who were able to join us for the exhibition opening night to support our students and their creative flair.

My sincere thanks to Lara Karasavvidis and the Art, Technology and Media teachers for their energy, commitment and skill in preparing and exhibiting the 2013 collection. I’m very much looking forward to showing off some of these fabulous pieces in the front of the school soon.

On Thursday November 21, we celebrated our graduating class of 2013 with the annual Valedictory Dinner. Held in a large reception centre, the dinner was a wonderful evening where students, parents and teachers celebrated the achievements, friendships and future plans of the Year 12 class of 2013.

Our School Captains, Maroushka and Luis joined forces one final time as they delivered yet another poised, entertaining and moving speech reflecting on their years at our school. Along with the Captains, we also listened with smiles and laughter as the students’ Year 12 Coordinator, Kathleen McGarrity entertained the appreciative crowd with stories about the students as they have grown up together at BPC.

The night before the Valedictory Dinner, the Buckley Park College Music Concert was held at The Clocktower Centre. This year’s concert was themed around the title One Feather. The concert featured students from across all year levels performing in the concert band, string groups, the choir, the stage band and of course back-stage crews as well.

It was such a pleasure to be part of the audience watching and listening as our students created a flawless display of musical prowess. On behalf of the whole school I warmly congratulate each of the students and our team of music teachers for their excellent performances. I also acknowledge and thank the Director of Music, David Sibley, for his outstanding work to bring the concert to our students and community. I also thank you, the families and friends of our young musicians for the support you give to the program.

It’s such a privilege to be part of these special events. It’s nights like these that our students will remember long into the future, and so too will we their teachers and families. We’re lucky at our school to have students who are willing to have a go, to take the stage, to perform for an audience and who are so pleased to share their successes with their families. This doesn’t just happen; it takes work, it takes inspiration and it takes the commitment and talents of our teaching staff. As we approach the end of this year, I know you will join me in thanking our teachers and support staff for the work they do every day to enable our students to do their very best.

We truly have an outstanding staff at Buckley Park and I thank them for a great year’s work. We have teachers leaving us this year as they move on to new opportunities, to promotions and taking opportunities to travel the world. As these teachers move on, we thank them for all that they’ve brought to our school and our students. We now look forward to welcoming some new staff to our school, confident in the knowledge that each of these newly appointed teachers will add their own special skills and insights as we focus Buckley Park College firmly on the future and future success for every single student here with us.

Next year will be a big year for our school. Next year is a year of review which means our students, staff and you, our community, will work together to reflect on the past 4 years, and then plan our strategic direction for the period 2014 – 2018. It’s an exciting time and enables me and us a chance to articulate a new, shared vision of the future for our school.

In 2014 we’ll implement our BYOD policy for our Years 7-9 students; we’ll focus on learning growth at the individual student level; we’ll strengthen our culture of continuous improvement; we’ll finalise the building project for our Centre for Young Writers; we’ll begin to explore the thinking of positive psychology as a whole school…and much, much more.

At the end of my first year here at Buckley Park I’d like to take this opportunity to thank you for the warm welcome you’ve given me as we begin and continue our work together. I’m full of anticipation and excitement for what the future holds for our school and look forward to another great year together in 2014. Merry Christmas. Wishing you a safe and happy holiday break.

BRING YOUR OWN DEVICE 2014

At Buckley Park College we believe that today's students think, connect and communicate differently to students who were at school even a few years ago. We are aware that our students live in a world where information can be accessed and shared quickly over the Internet, where they can communicate with peers and create new knowledge.

The recommend device for 2014 is one of a range: we know some students like working with tablets and we want to utilise their enthusiasm and interest. Equally this applies to netbooks and other devices.

Textbooks and Second Hand Textbooks

We are looking forward to working with Landmark to supply our textbooks for the coming years. The website is www.elandmark.com.au with the code AZ2W for our Buckley Park booklists. Please also be aware of the very useful second hand book site for both buying and selling unwanted textbooks.

The site is www.sustainableschoolshop.com.au and the feedback from parents using this site has been very positive.

End of Semester Two

Students will soon be completing Semester Two and many will be thinking how did they go and will reflect on their achievements and their level of effort. For many students their hard work and determination has brought about a sense of achievement and satisfaction: deservedly many students have worked to understand, remember, analyse, compare and contrast, do and learn. For some students particular subject assessment tasks have proven to be a challenge with mixed outcomes. So where do students go from here?

It's important for students and parents to take the time to read and re-read the feedback teachers have provided and pay particular attention to the suggestions teachers have made for progress and improvement.

Let's look at what some general feedback comments actually mean in terms of learning behaviours in the classroom:

Pay attention: to listen to (follow) instructions, to know what to do, to make eye contact and not talk.
To Practice: to repeat, to train, a routine, to run through several times.
More preparation: to get ready and be ready, thinking first, it's what you do before you start.
Better use of: preferable, more suitable, more appropriate.
Ask questions: to clarify or make clear the instructions, to ask why, to be curious.
Ask for assistance: we all need help and our teachers are there to help your child learn.
Using his or her planner: this is part of being prepared, none of us remembers everything.

To improve next year your child should, at the beginning of each lesson, be aware of the learning goal and at the end of a lesson your child can check their performance by asking themselves , “Did I achieve the learning goal?”; “Did I pay attention today?” “Did I make better use of my time in today’s class?” and parents should ask to see their child’s planner. Planning is the first step toward improvement.

Once again we come to that time to send another group of Year Sevens through to Year Eight and prepare for another group of Sevens coming in. With regard to the newies it is always exciting to meet new faces and introduce them into the Buckley Park life and way of doing things. As I said at the Parent Information Evening I hope they are getting excited as well as prepared about meeting the challenges of 2014 in the best possible way.

The Year Sevens of 2013 as a group in my opinion have had a great year in the way they have gone about their school life as engaged and successful students and considerate citizens. Overall the future of Buckley Park is in safe hands while they are part of it. I congratulate them and wish them well. There are of course some who can take a bit more direction from their end of year reports towards greater levels of achievement in future years. For the majority they should always aim high.

Congratulations go to all our award winners across the level. The difficulty we had in selecting these certainly supports my earlier comments.

I hope all will remember and thank their Form Teachers at the end of the year as they are the ones who have nurtured and brought them to this stage (Year Eight) so well and should be recognised for a job well done. They are of course 7PL Simon Polidori, 7HS Vicky Hamsitzis, 7MK Matthew Majewski, 7SD Anne Sced, 7SN Danielle Santangelo and 7HN Phil Hallinan. We are fortunate to have, along with the rest of our Year Seven teachers, such a wonderful team.

Wishing all a great break and success to all.

EDUCATIONAL MAINTENANCE ALLOWANCE

Eligible applicants will need to fill in an application form (available from the General Office) and must provide the office with the original Centrelink Pensioner Concession or Healthcare Card for us to sight and copy for our records. The applicant’s signature on the application form will authorise Centrelink to check on current entitlement. A new application needs to be submitted at the beginning of every year.

To be eligible to receive EMA parents or guardians of students up to the age of 16 whom hold a current pensioner concession or health care/benefit card on the first day of this term can apply.

The closing date for applications is 28 February. Unfortunately applications received after the above date cannot be accepted.

INTERMEDIATE GIRLS CRICKET TEAM 2013

On Friday the 15th of November the following students represented the school at the intermediate girls cricket state finals: Annabel Ng © Brydie Siryj (vc), Amelia Krassaris, Tayla Fordham, Tia Deoki, Rebecca Lobianco, Lauren Zampatti, Chloe Heywood, Hannah Peterlechner, Alli Fisher, Lourdes Anthony, Georgia Taylor, Kealy Siryj.

All the girls did their very best against very good opposition who then went onto win the final. It was great to see how they all worked together and supported each other as a team and that they really enjoyed themselves. Special thanks to Zac Margariti & Tim Roberts for their coaching, umpiring and scoring.

This year the Art Exhibition was, as it always is, a great success. Holding it in the Performing Arts Centre saw huge numbers of students walking through and being inspired; both by seeing their own work up in a professional context and by viewing artwork from their peers and students in the years above them. The Art department would like to congratulate all students who had work in the exhibition and all the students who have participated so enthusiastically in the Arts program this year. We too are constantly inspired by the work that you create. In particular we would like to congratulate the following students who won awards at each year level:

Year 12 John Maher Memorial Prize – Elliot Kuhlman
Year 12 VCD Award – Charlotte Matthews
Year 11 Award – Stephanie Rinaldi
Year 10 Award – Alicia Monsone
Year 9 Awards – Lily Tran and Lili Holden
Year 8 Award – Aaron Le
Year 7 – Milly Cram
Technology Award – Vaia Papadopoulos
Holiday Borrowing
Students will be able to borrow reading material for the holidays during the last week of term. Please visit the library to stock up on your favourite genre for the coming break.

Holiday Reading Suggestions

The Boy on the Wooden Box – a memoir by Leon Leyson (Biography)
The darkest of times can unleash the worst in human nature – and also the best. Leon Leyson has lived through those times.

Dust and Decay – Jonathan Maberry (Horror)
Benny, Nix and Tom have returned from the heart of the Rot and Ruin with a plan. Ever since they saw a plane fly over the zombie-infested wasteland they’ve been clinging to the idea that where is somewhere out there where people live without fear.

The Lion, the Witch and the Wardrobe – C.S. Lewis The chronicles of Narnia; book 2 (Classic)
Four adventures step through a wardrobe door and into the land of Narnia – a world enslaved by the power of the White Witch.

Darke – Angie Sage -Septimus Heap – Wizard apprentice ; book 6 (Fantasy)
Septimus is about to enter Darke Week, the most dangerous stage in his apprenticeship. But, as it begins, a Darke Domaine swallows up the castle, threatening to consume the entire Magikal world.

Wild Boy – Rob Lloyd Jones (Crime)
In 1840s London, the star attraction of a travelling freak show is Wild Boy, whose unfortunate appearance has condemned him to a miserable life of rejection and ridicule. As Wild Boy plots his escape from this intolerable existence, he sharpens his Sherlock Holmes-like talent for observation and deduction.

The Road to Gundagai – Jackie French (History) Matilda saga ; book 3
Blue Laurence has escaped the prison of her aunt’s mansion to join the Magnifico Family Circus, a travelling troupe that brings glamour and laughter to country towns gripped by the Depression. Blue hides her crippled legs and scars behind the sparkle of a mermaid costume; but she’s not the only member of the circus hiding a dark secret.

These Broken Stars – Amie Kaufman & Meagan Spooner – The Starbound Trilogy (Sci Fi)
Lilac is the daughter of the richest man in the universe. Tarver comes from nothing, a young war hero who learned long ago that girls like Lilac are more trouble than they’re worth. But with only each other to rely on Lilac and Tarver must work together, making a tortuous journey across eerie, deserted terrain to seek help.

Heros of Olympus : the Demigod Diaries – Rick Riordan (Fantasy)
Runaway demigods Luke and Thalia face untold dangers on their way to camp Half-Blood. Percy Jackson and Annabeth must rescue stolen goods from a fire-breathing giant who doesn’t take kindly to intruders. Leo, Piper and Jason have to dodge a band of party-loving maenads. Discover these three never-before-seen short stories.

Overdue Reminders
Students should make sure that they return any items borrowed from the Library. Notice will be sent to Form Assembly. Please see the Library staff if you any concerns. Students with overdue books will not be able to borrow for the holidays.

Best wishes for a safe and happy holiday.

Can you help in the Canteen?

The school’s canteen is a very important service to students and staff. It is only able to operate because of the commitment and dedication of our volunteers.

The canteen is a busy, friendly, work place and even if you don’t feel that you could serve the counter or handle money, there are plenty of things to do that would be of great assistance.

We would love you to call in and see for yourself just how important the canteen is to the school community. All profits from the canteen go to the school to provide facilities for our students.

So if you have a spare few hours once a month or once a term, we would love to hear from you.

Help for Shy or Anxious Teens and Children: Online Treatment for Social Anxiety is now available!

For children and teenagers with Social Anxiety, school can be an incredibly difficult time. Activities like presenting oral reports, participating in class activities, playing or competing in team sports and joining in with groups can be extremely anxiety-provoking situations. But there is help available... and it's online!

A team of researchers (BRAVE Team) at Griffith University, University of Southern Queensland, and the University of Queensland are seeking children (8-12 years) and teenagers (13-17 years) suffering from social anxiety; a fear of being negatively judged by others, or extreme shyness.

The BRAVE program aims to help children and their parents learn strategies for managing social anxiety and teach techniques to cope with anxiety-provoking social situations. The treatment program involves between 7-12 online sessions for participants, with each session taking approximately an hour to complete. Families are charged a one-off fee of $120 to assist in covering treatment costs and will also be asked to complete questionnaires and telephone interviews. However, families will receive a rebate of $25 in vouchers each time they complete a post-treatment assessment.

For more information, or to register your interest in the program, please visit the BRAVE ONLINE website: [www.exp.psy.uq.edu.au/socialanxiety](http://www.exp.psy.uq.edu.au/socialanxiety).
Alternatively, you can contact the BRAVE team on (07) 3738 3312 or Email: brave@psy.uq.edu.au.
