

BUCKLEY PARK COLLEGE

Performing Arts Centre Redevelopment Fund

Buckley Park College is a high performing school in our community. As part of our plan to improve our school for students, in 2013/14 the School Council committed to converting the tired Performing Arts Centre into a more modern, professional and multi-purpose learning, performance and community theatre space.

This exciting project is a significant investment for the students today, and for the future, and we're nearly able to begin work, but we need your support. To bring this project to life in **Term 1, 2017**, we would greatly appreciate all families considering making a contribution to the voluntary tax deductible Building Fund.

Our funding gap is now just \$100,000

HOW CAN YOU HELP?

Contribute to the Building Fund

It's a voluntary contribution but it's also tax deductible and every cent will help build our new PAC.

Each year families are encouraged to contribute to the Buckley Park College BUILDING FUND. It's times like this, with a hugely exciting project like this in planning that we need your support. It's suggested that school families donate \$100. While \$100 is a suggested amount, all contributions, either smaller or larger are crucial to our project.

If a contribution of \$100 was given for every student in the school. 950 students x \$100 Building Fund donation = \$95,000
