

Year 10 Parent Payment Arrangements 2024

Dear Parent/Guardian,

Buckley Park College is proud to provide an outstanding secondary school experience for our students and would like to inform you of our voluntary financial contributions for 2024.

Schools provide students with **free instruction to fulfil the standard Victorian curriculum** and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education, support, and infrastructure for our students.

We want to thank you for all your support, whether that is through voluntary financial contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school your financial support has allowed us a wider offering of subjects and special curriculum experiences, enhanced digital learning opportunities.

Upgrades across the 2023 school year include:

- The continued upgrade of classrooms with replacement tables, chairs, and carpet
- Replacement of Internal and external LED lights across the school
- Updated CCTV cameras and supported software
- Laying of Instant turf and landscape works at the front of the school and B block.
- Undercover walkways and accessibility across the school.

In 2024 we will be focusing our attention on:

- the planning for science room upgrades and re-imagining existing classrooms to create spaces for the STEAM program (Science, Technology, Engineering, Arts and Mathematics program).
- Increasing the Sun protected areas across the school for learning spaces and play.
- Introducing a concentrated cyclical maintenance program across the school to paint and update rooms, and corridor areas.
- Extending the landscaping projects across the other areas of the school.

Your support of these initiatives is greatly appreciated. Thank you for your continued support of Buckley Park College.

Yours sincerely,

Harold Cheung
Principal

Josie Piscopo
School Council President
